NEW ALBANY-FLOYD COUNTY CONSOLIDATED SCHOOL CORPORATION RULES AND REGULATIONS

Below is just a partial listing of rules and regulations, please see the school corporation official guidelines "Use of Corporation Facilities" for a complete list of guidelines.

School sponsored events and/or school related activities will always take precedence over any outside organization. The Board of School Trustees, through its duly appointed staff shall reserve the right to cancel or postpone any scheduled use by a renting agency in lieu of promoting the duties associated with educational activities for children.

Applicants are required to provide evidence of \$1,000,000 in liability insurance. The New Albany-Floyd County Consolidated School Corporation and its employees shall not be held responsible for injuries, damages, or loss of property sustained by the applicant, participants or spectators attending activities not sanctioned or sponsored by the School Corporation.

The applicant is responsible for providing proper supervision for all participants and spectators. If the nature of the event requires additional security, these expenses are the obligation of the requesting organization.

Generally, non-profit agencies serving our youth will not be required to pay rental fees. However, they are responsible for other expenses such as security, custodial, kitchen and/or life guard costs. A school custodian or other appointed representative must be on the premises at all times whenever a school facility is occupied. This supervision will be the responsibility of the applicant provided the employee is not regularly scheduled to work. Please see guidelines for specifics.

Smoking inside or on school property is prohibited. The use of obscene or profane language, liquor, or tobacco is not permitted on school premises.

All concession and sale of refreshments will be regulated and controlled by the building principal.

No school furniture or equipment is to be used without special permission.

All rooms and equipment must be left in suitable condition for regular school use.

The renter will be responsible for all damage associated with their use of the facility. The renter shall reimburse the School Corporation for any damages to buildings, grounds or equipment, and any theft of School Corporation property.

Notification must be given 24 hours in advance if a scheduled event is cancelled. If such notification is not received at the school, the applicant may be responsible for up to two hours of wages of any scheduled employees.

Payment may be required in advance at the discretion of the Business Office.
