MINUTES OF GREENVILLE TOWN COUNCIL MEETING

FEBRUARY 11, 1997

The regular monthly meeting of the Greenville Town Council was called to order by Council President Janet Riggs at 7:30 P.M. at the Greenville Elementary School. Councilmembers Ted Miller, Mike Receveur and Ray Gibson were present as well as the Clerk Treasurer Jack Sprigler.

Minutes of the January meeting was approved after dispensing with the reading on motion by Ted Miller, seconded by Mike Receveur. Approved 4-0.

Indiana State Police Trooper Steve Didat presented the Council and those in attendance an overview of the Indiana State Police Area Problem Oriented Program. Following this presentation Trooper Didat passed out surveys concerning problem areas within the Town. He stated these surveys are important to the Indiana State Police in dealing with increased patrols, citizens' concerns and other matters.

Leroy Terwilliger, representing his business in the Town stated he contacted the Indiana Highway Department and was advised by 50 or more reasons why the State will not put up a traffic light and the intersection of the Greenville/Georgetown and U.S. 150 roads. He suggested the Council initiate a petition for a stop light. Ted Miller suggested the Council obtain information from the State regarding procedures for the installation of a stop light.

Marshal David Moore stated he would like to see a "partnership" arrangement with State, County and Town, to control traffic.

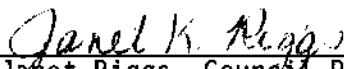

Don Perkins presented the Council with a map showing alleys he would like vacated. Mike Receveur and Ted Miller reviewed the map with the Council and after discussion by the Council, advised him the Council would consider his request and inform him of the Council's decision.

Jeff Fifer, Attorney, stated he believed a settlement with SEICO for engineering services in the cancelled Utility project is possible if a Councilmember and someone knowledgeable with the circumstances surrounding the project could meet with SEICO. Ray Gibson stated he believed Bob Gibson, previous Consultant on the project may meet with SEICO to review their offer and that he also would be available. Fifer stated he would set up a meeting.

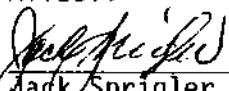

Attorney Fifer gave the Council a copy of a letter he sent to Talbott Richardson per Richardson's request regarding an alley located near his property on US 150. Copy is on file with the minutes of this date, and made a part of these minutes.

The Council approved claims for the Town/Utility (4-0).

No further business coming before the Council Ted Miller motioned for adjournment, seconded by Janet Riggs; meeting adjourned. (4-0).

Janet Riggs, Council President

ATTEST:

Jack Sprigler
Clerk Treasurer

Re: An alley formerly know as Providence Road.

Dear Mr. Richardson:

At the January 14, 1997 meeting of the Town Council, Town of Greenville, you inquired as to the Town's formal position on the closure of an alley formerly owned by the Town of Greenville known as "Providence Road". At that meeting, the Town Council of Greenville stated its intention of not opening the alley to public traffic at this time or in the future. Please be advised that the alley, particularly shown on the enclosed survey by Isgrigg and Associates, is in fact the real property of the Town of Greenville. The Town of Greenville intends to fully assert its rights to said alley.

If you have any questions or comments, please do not hesitate to contact either the Town Council of the Town of Greenville, its members, or the undersigned. Thank you for your time and cooperation.

Sincerely,

FIFER LAW OFFICE

James E. Fifer

Attn: Mr. Gene Hatfield

Dear Sir:

This is to inform you the Greenville Town Council approved your request for use of the Town/Utility parking lot for overflow parking by the Greenville Christian Church on Sundays. Should the Council's position change you will be notified accordingly.

Please be reminded the Town assumes no liability, expressed or implied for the use granted.

Sincerely,

Jack Sprigler
Clerk Treasurer
