Terry Boaz opened the specially called meeting. All members were present.

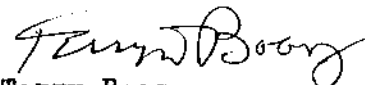

The purpose of the meeting was to discuss the preliminary report and cost estimate for proposed Sanitary and Sewage Treatment Facilities. The cost appears to be 1.7 times the water rate.

24 townspeople were present. All appeared to be in favor of pursuing the project. The Indiana Stream Pollution Board has set a deadline of December 31, 1977, for the project to be completed.

Respectfully submitted,

Gary E. Jacobi  
Town-Clerk treasurer
