Next Monthly Meeting Monday May 10th, 2010 @ 7:00 PM

**Minutes of Greenville Town Council Meeting
April 12th, 2010**

Council President Talbotte Richardson called the regular monthly meeting to order. Other Councilpersons present were Bob Wright, James Pearce, Patti Hayes and Randal Johnes, along with Clerk Jack Travillian. Also attending the meeting were Water Utility Superintendent Gary Getrost, town attorney Rick Fox, and other concerned citizens. The meeting was opened with a prayer followed by the Pledge of Allegiance.

Minutes: President Richardson made a motion and Councilman Johnes seconded to accept the March 8th monthly minutes as amended by Councilman Johnes. Motion passed 5-0. The Special Meeting minutes were not ready but will be discussed at next month's meeting.

Marshal's Report:

The marshal's department has written 43 traffic tickets in the past month. The department has responded to theft, burglary & counterfeiting cases. The three reserve officers have completed the reserve academy.

2010-R-017 RESOLUTION CONCERNING THE CONSTRUCTION OF A HOME AT 9423 HARRISON STREET IN THE TOWN OF GREENVILLE, INDIANA
Resolution was read and discussed. A motion was made by Councilman Johnes and seconded by Councilwoman Hayes to accept the resolution. Motion passed 5-0.

2010-T-009 ORDINANCE CONCERNING THE ADOPTION OF THE TOWN OF GREENVILLE BUILDING CODES AND REGULATIONS 2010 FOR THE TOWN OF GREENVILLE, INDIANA; First reading was completed and a discussion was held. Don Lopp from the Floyd County Planning Commission had some questions about the wording of the Ordinance. The wording was amended to read "rezoning". A motion was made by Councilman Johnes and seconded by President Richardson to accept the resolution as amended. Motion passed 3-2 with Councilman Pearce and Wright voting against.

Schuler Road Intersection: The council had requested Floyd County restructure Schuler Road and US Highway 150 intersection for safety reasons. Don Lopp stated the county's position as the intersection is in the Town of Greenville; therefore it should fall under the town's jurisdiction. Clerk Travillian pointed out that the town does not own the road and does not do maintenance it even if it does run into town corporate limits; therefore it is the county's responsibility. Mr. Lopp stated the town should consider applying for grants from KIPDA (Kentuckiana Regional Planning and Development Agency) to help with the cost.

Mr. Lopp stated the county will consider the request for replacing the bridge on Clark Street.

Water Business:

Superintendent Getrost submitted monthly adjustments to the council. The board approved the adjustments for the bills (5-0).

Hydraulic Study: Jacobi, Tomes, & Lanz had two engineers present at the monthly meeting to give a report on the hydraulic study for the service area of the Greenville Municipal Water Utility. The council requested a report giving recommendations for tank replacement or repairs.

Superintendent Getrost reported about a request from a resident living on Old Vincennes Road not presently being serviced in our water area requesting purchasing bulk water through the stand pipe on Clark Street. The resident has a failing well located on his property. Town Attorney Fox stated the water board would need to set up a bulk rate pricing structure. Superintendent Getrost noted also that the resident would need to be on the honor system due to the lack of metering device on the stand pipe that is primarily used for emergency vehicles (fire trucks). The council was concerned with how often the resident would need to be using the fill station and the additional pricing structure needed. This might also increase the likelihood of other residents requesting the same type of services. The council rejected the request and noted the best solution appears to be for the resident to contact a water conditioning service that will most likely be a cheaper and better resolution in the long run.

The Greenville Township Volunteer Fire Department is requesting a new hydrant be installed at the Galena Fire Station 2 location (7020 Highway 150). The council approved of the proposal and requested Superintendent Getrost build a list of locations in need of new hydrants and present it at next month's meeting.

Superintendent Getrost requested the council start easement requests for putting a new connecting water main between Clark Street and US Highway 150 using Cross Street as the location. This would need an easement from two property owners on Cross Street.

Financial:

Review/Approval Checks and Expenditures: Clerk Travillian presented the forms for the checks written from the utility and the town.

Committee Reports

Public Relations: Councilwoman Hayes has received multiple calls asking why the council was opposed to the proposed Dollar General store. Councilwoman Hayes has informed most persons that contacted her that the council was in support of new business and the council gave their approval when the owner approached at the regular monthly meeting several months ago.

Streets & Roads

Bids for Clark Street: The council opened the sealed bids for the Clark Street project. The project has been separated into four stages. The bids were received from Striegel Paving and Libs Paving.

Bids as follows:

	Project 1	Project 2	Project 3	Project 4
Striegel Paving	\$ 23,549.	\$ 18,113.	\$ 19, 180.	\$ 16,000.
Libs Paving	\$ 15,250	\$ 15,950	\$ 18,600	\$ 13,700

Wind Dance: A resident has requested the town look into the drainage issue on the East side of the main entrance. The council believes this is on private property and not the town's responsibility.

Property in 9900 Block of Highway 150: A resident in the 9900 block of highway 150 was sent a letter requesting his presents at the regular monthly meeting and did not appear. The resident has also begun construction without approval. The council requested Marshal Moore serve a "cease and desist order" to stop the construction immediately.

Emergency Services:

Councilman Wright presented Clerk Travillian with a bill for ammunition from the police department for use during firearms training. The payment will not be available until next month's meeting.

Life Insurance for Police Officers: The council has received notice of a rate increase for the authorized life insurance policy due to personal circumstances. The council will hold an executive session on Monday April 19, 2010 at 6:00 PM.
