

GREENVILLE TOWN BOARD
P.O. BOX 188
GREENVILLE, IN. 47124
923-9821
June 14, 1983

The regular meeting of the Greenville Town Board of Trustees was opened by President of the Board Jack Sprigler, with one other member present, Ron Lamb and one member of the Board absent, Buck Spears. Also in attendance were J. Gibson, M. Powell, R. Dodge, Jean Miller and Max Mason.

Janice advised the Board of the need to increase insurance on the Backhoe. J. Sprigler made the motion to get current value and increase the insurance for that amount, Lamb seconded this motion.

V. J. Miller had received two bids to remove the Dead Trees in front of the Jean Miller residence one hundred dollars and two hundred and fifty dollars. Ron Lamb motioned to get Public Service to trim the trees around the wires and the ask for another bid, Jack S. seconded the motion.

Ms Miller reported that the weeds were growing high around the basement house again and that it is a snake and rat harbor. ---Mr. Dodge reminded us of the streetlight obscured by tree limbs that should be trimmed by Public service. The Town Manager will handle these complaint's.

Deputy Marshall Powell stated that he and Marshall Richardson have been using their personal cars for catching speeders. The board instructed M. Powell to advise Mr. Richardson that this is not permissible as they are uninsured for this and this creates a liability for the town. Mr. Powell also reported that the stop sign by Voyles road is down and there are still holes in Parkland Heights Streets. The Marshall needs Ammunition to qualify on the shooting range to have permission to carry a pistol. Max Mason informed the board that the law suit is to go to trial in October.

No other business before the board Ron motioned for adjournment seconded by Jack Sprigler.

Respectfully submitted;

Grace Martin
Clerk-Treasurer

Jack Sprigler
President of the Board

Salvatore brought this to be
looked at by the Board -

He is not suggesting buying - Just
wants Board to see this - The price is
down 2,000 from Original
