COPS have requested additional information. The Marshal's Department would like to thank Floyd County Council and Floyd County Sheriff Mills for the upgrade of a 2010 Ford Crown Vic to replace the 1996 Jeep Cherokee. This will help with the officer's safety, which is the primary goal.

The Marshal's Department is investigating some criminal mischievous activities; it appears to be children involved. Marshal Burkhart would like to also thank the Greenville Volunteer Fire Department for helping to revive his father after an illness recently, without their quick response he may not have survived.

Financial: Review/Approval Checks and Expenditures: Clerk Travillian presented the forms for the checks written from the utility and the town. The checks were approved without objections. Clerk Travillian advised the council about an overpayment received from the Floyd County Auditor's office that was around \$34,000. Travillian has been in contact with the Auditor and was told it had been caused by a computer software issue.

Clerk Travillian advised the council on a recent meeting with Mike Whalen, the town's insurance representative. It was suggested to increase the sewer plants value as proposed. The council requested additional information about earthquake insurance. The clerk will speak with Mike Whalen.

Heritage Springs Developers, Thieneman Builders has requested an amendment to the standard operating procedures for the Greenville Sewer Utility to wave billing upon connection to the system.
