Terry Boaz opened the meeting. All members, Charles Birkla and 4 visitors were present. The minutes from the last meeting were read and approved. The treasurer's report as of August 31, 1973 shows a checking fund of \$10,664.29. (General Fund \$1,438.70, Street \$5,100.06, Local Roads \$4,050.00, CCIF \$75.53.) A Certificate of Deposit was bought for \$3,500 from the CCIF Fund. Our Revenue Sharing Fund has \$499.03. Farnsley Burkhardt's water reports for July and August agree with the bank statements.

Terry Boaz reported that the quarry has been annexed.

Donald UHL reported that dust oil had been placed on the alleys. Several townspeople had requested the oil and then some complained about the messiness of the oil after it had been applied.

Our town square was discussed. One person ~~was~~ wanted to buy a portion of it so he could build a new store. Another person produced a deed showing that they owned part of the square. Terry Boaz will have our lawyer look into the matter.

Una Hartfield produced a deed of the old Sappenfield property showing that the present rocked alley is on her property. She offered to trade the north-south alley land which is a continuation of providence street for the land that is an unopened alley that runs east and west. Robert Gibson moved to close the east-west alley and to trade the two parcels of land and Donald Uhl seconded. All voted in favor.

Robert Gibson moved and Donald Uhl seconded that we appoint Charles Birkla
