MINUTES OF GREENVILLE TOWN COUNCIL MEETING, November 10, 1998.

The regular monthly meeting of the Greenville Town Council was called to order by Council President Ted Miller at 7:30 p.m.

Call of the roll Council members Gerald Burkhardt, Ray Gibson, and Mike Receveur present and Jack Sprigler, Clerk Treasurer present.

Also attending was Utility Superintendent Gary Getrost, Office Manager Janice Gibson, Jim Ragins, and Dave Matthews.

Minutes were approved 4-0 on motion by Mike Receveur, for October 1998.

Jim Ragins advised the Council he was adding footage to the trailer he is using as an office for his car lot. This is being done to satisfy the ordinance regulating trailers. The Council, by a vote of 4-0 extended his use of the trailer to June 30, 1999 on motion by Gerald Burkhardt.

Ted Miller read a letter he had sent to Mr. Stacksteder regarding a septic line Stacksteder wants to run under Harrison Street. The Council previously approved this set-up.

Mr. Miller requested committee reports from other members for review by the Council.

Gary Getrost apprised the Council the Stiller Road project was delayed one (1) year (2000) which could benefit the utility. He also told the Council the utility is losing approximately 20-25 percent of water due to leaks. He said leaks are hard to find to the past weather conditions but he and Danny Cummins are making every effort to locate leaks in the system.

Council approved claims for the Town/Utility, 4-0.

Council approved the Marshal's bond 4-0.

No further business coming before the Council the meeting was adjourned.

Ted Miller, Presiding Officer
