(1) pay all the legal and other necessary expenses incident to the operation of the utility, including:

(A) maintenance costs;

(B) operating charges;

(C) upkeep;

(D) repairs;

(E) depreciation;

(F) interest charges on bonds or other obligations, including leases; and

(G) costs associated with the acquisition of utility property under IC 8-1.5-2;

(2) provide a sinking fund for the liquidation of bonds or other obligations, including leases;

(3) provide a debt service reserve for bonds or other obligations, including leases, in an amount established by the municipality, not to exceed the maximum annual debt service on the bonds or obligations or the maximum annual lease rentals;

(6) provide money for the payment of any taxes that may be assessed against the utility.

(d) It is the intent of this section that the rates and charges produce an income sufficient to maintain the utility property in a sound physical and financial condition to render adequate and efficient service. Rates and charges too low to meet these requirements are unlawful.

(e) The board may recommend to the municipal legislative body rates and charges sufficient to include a reasonable return on the utility plant of the municipality.

(f) Rates and charges established under this section are subject to the approval of:

(1) the municipal legislative body by ordinance; and

These rates and charges in lieu of taxes may be transferred to the municipal general fund, if the legislative body so elects.

(h) The commission shall grant a request that an increase in rates and charges not be effective until after the occurrence of a future event if the legislative body so requests.

(i) A municipality that acquires and operates a utility under IC 8-1.5-2 by exercising the power of eminent domain may not impose a special rate, charge, surcharge, or other fee, other than rates and charges approved under this section or otherwise authorized by law, on the customers of the utility in order to pay for the costs associated with acquiring the utility through the exercise of the power of eminent domain.
