The repair to the air lines is waiting on parts and should be done soon. Pump #2 will need to be down for a day or two for maintenance. There was a repair to a sensor that was working improperly and it is now operating correctly.

Landscaping and yard maintenance – there is a request for the grass along Arthur Coffman road to be mowed, this should be done by the Floyd County Road Department.

Former Superintendent Getrost insurance: The council reviewed the request by Getrost for a cash buyout. The council will buy insurance but feel the requested money is too large. Committee Reports:**Town Council President:**

President Moore reported that TV Channel 32, WLKY, has contacted him about doing a segment on their small town program, viewed over weekend programming. He will be meeting with a crew on Thursday morning and going to various business location and special interest sites.

Streets and Roads:

Councilman Kepley reported about his meeting with Floyd County over our streets and road paving. They suggested that by GIS we should be getting payments for 7.1 mileage, currently the town is being paid for only 5.4 miles. To do any paving or repairs we will need an Inter Government Agreement and pay at a rate of \$270.16 per hour for a road crew, along with buying materials.

Property Cleanup:

Councilman Braham has started the process of prosecuting the resident at the corner of East 5th and Highway 150. He will be taking pictures and ticketing the offenders.

Special Projects:

Councilman Redden presented paperwork that had been done decades ago annexing the entire Hartfield property. He noted that on the county GIS it has the property partially in town and also in the county. Clerk Travillian will follow up, however he noted that the paperwork was not dated so it would be hard to verify and might not be enforceable.

New Business:

Resolution 2015-TR-034: RESOLUTION CONCERNING THE AUTHORIZING THE GREENVILLE TOWN COUNCIL TO SIGN BUILDING PERMIT RESOLUTIONS
Council held a brief discussion. Motion made by Councilman Redden and seconded by Councilman Braham. Motion passed 5-0.

A resident on Pekin Road registered a complaint about water run off causing flooding at her home. She noted that the runoff was coming from the unincorporated areas of Floyd County and causing her ditch to overflow. The council has suggested she should contact the county road department.

No further business coming before the Council, motion made by Councilman Redden and seconded by Councilman Kepley, passed 5-0, the meeting was adjourned.

Next Monthly Meeting to be held at 7:00 P.M. at 9706 Clark Street, on August 10^h, 2015.
