Complaint about unfit structure in the 9800 block of Clark Street. This has been passed along to Floyd County Building that handles Town of Greenville zoning.

Motion by President Redden and seconded by Councilman Lemon to close town business, passed 5-0.

**Utility Business:**

**Water Utility**

Superintendent Audi Findley sent his monthly report to the council before the meeting and there were no questions. The leaks adjustments were accepted.

Superintendent Findley reported flood damage to a main line running beside highway 150 at Borden Road. The main has been exposed and needs repairing, currently it is turned off to avoid further damage with the possibility of a major leak. Estimated cost \$100,000, there may be ARP funds available for the emergency repair. The different options to repair were discussed. Motion made by President Redden and seconded by Councilman Powell to do Directional boring with engineering cost of \$13,000. Motion passed 5-0.

President Redden made a motion and Councilman Gomes for repealing of the new heavy service duty truck purchase due to truck not being as heavy and not having the required equipment - 3500 HD for \$52,000. Motion was repealed 5-0. The council reviewed other available trucks and motion was made by President Redden and seconded by Councilman Powell to \$61,292. pending funding being raised to pay for the emergency repairs. If the funding is not granted then purchase the \$49,095 truck from Coyle. Motion passed 5-0.

**Award:**

Office Manager Amy Stone has won a state-wide award of excellence for her dedication and commitment to the Greenville Water Utility and this community. This award was well deserved for all the years of dedicated service.

**Mowing contract:**

Superintendent Finley will be requesting bids for the annual mowing contract.

**Health Insurance bids:**

The council is requesting bids for next year's employee's health insurance. The Office Manager will contact agents.

Building request for pole barn near 10003 Wind Hill Drive is requesting building a pole barn. Motion made by President Redden and seconded by Councilman Lemon. Motion passed 5-0.

**Sewer Utility:**

Superintendent Findley reported culvert has been expanded at the Heritage Springs Waste Treatment plant. The council requested getting bids to pave the driveway/alleyway.

Tom Asbury answered questions about updating the PLC (Program Logic Control) at the sewage plant. He is requesting replacement with upgrades estimate is around \$100,000. The council will need to see the full proposal before deciding.

The council will need to review possible rate increases for sewer service; the council was urged to make possible increases at a slow rate.

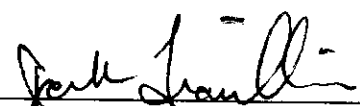

No further business coming before the Council, motion made by Councilman Powell and seconded by Councilman Lemon to adjourn the meeting. Motion passed 5-0.

Next Monthly Meeting to be held at 7:00 P.M. at town hall located at 9706 Clark Street, on March 13th, 2023.
