REQUEST FOR PROPOSALS

Greenville Water utility is requesting proposals to inspect and report the condition of a 100,000 Gallon Standpipe and a 60,000 Gallon Elevated Storage tank. The tank level will be lowered for the inspection. A written report of the findings of the inspection and digital photographs shall be provided. The report shall include the recommendations for painting and any necessary repairs. The report shall be prepared by an Indiana Registered Professional Engineer experienced in the design and maintenance of water storage tanks.

Please submit proposals no later than 4:30 p.m. on August 10, 2009.

Proposals shall be submitted by mail to the above address in a sealed envelope and must be accompanied by a certificate of insurance.

Thank you for your consideration.

Gary W, Getrost  
Superintendent
