## POLICYHOLDER DISCLOSURE NOTICE OF TERRORISM INSURANCE COVERAGE

You are hereby notified that under the Terrorism Risk Insurance Act, as amended, that you have a right to purchase insurance coverage for losses resulting from acts of terrorism, as defined in Section 102(1) of the Act. The term "act of terrorism" means any act that is certified by the Secretary of the Treasury-in concurrence with the Secretary of State, and the Attorney General of the United States-to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property, or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of certain air carrier or vessels or the premises of a United States mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion. However, the actual coverage provided by your Policy for acts of terrorism, as is true for all coverages, is limited by terms, conditions, exclusions, limits, other provisions of your policy, any endorsements to the policy and generally applicable rules of law.

YOU SHOULD KNOW THAT WHERE COVERAGE IS PROVIDED BY THIS POLICY FOR LOSSES RESULTING FROM CERTIFIED ACTS OF TERRORISM, SUCH LOSSES MAY BE PARTIALLY REIMBURSED BY THE UNITED STATES GOVERNMENT UNDER A FORMULA ESTABLISHED BY FEDERAL LAW. HOWEVER, YOUR POLICY MAY CONTAIN OTHER EXCLUSIONS WHICH MIGHT AFFECT YOUR COVERAGE, SUCH AS AN EXCLUSION FOR NUCLEAR EVENTS. UNDER THE FORMULA, THE UNITED STATES GOVERNMENT GENERALLY REIMBURSES 85% OF COVERED TERRORISM LOSSES EXCEEDING THE STATUTORILY ESTABLISHED DEDUCTIBLE PAID BY THE INSURANCE COMPANY PROVIDING THE COVERAGE. THE PREMIUM CHARGED FOR THIS COVERAGE IS PROVIDED BELOW AND DOES NOT INCLUDE ANY CHARGES FOR THE PORTION OF LOSS THAT MAY BE COVERED BY THE FEDERAL GOVERNMENT UNDER THE ACT.

YOU SHOULD ALSO KNOW THAT THE TERRORISM RISK INSURANCE ACT, AS AMENDED, CONTAINS A \$100 BILLION CAP THAT LIMITS U.S. GOVERNMENT REIMBURSEMENT AS WELL AS INSURERS' LIABILITY FOR LOSSES RESULTING FROM CERTIFIED ACTS OF TERRORISM WHEN THE AMOUNT OF SUCH LOSSES IN ANY ONE CALENDAR YEAR EXCEEDS \$100 BILLION. IF THE AGGREGATE INSURED LOSSES FOR ALL INSURERS EXCEED \$100 BILLION, YOUR COVERAGE MAY BE REDUCED.

### ACCEPTANCE OR REJECTION OF TERRORISM INSURANCE COVERAGE

LISTED BELOW IS THE ADDITIONAL PREMIUM TO PURCHASE TERRORISM COVERAGE, WHICH IS IN ADDITION TO THE PREMIUM WE HAVE QUOTED OTHERWISE. AT THE TIME OF BINDING YOUR NEW OR RENEWAL COVERAGE, THE FOLLOWING STATEMENT MUST BE COMPLETED AND SIGNED BY THE POLICYHOLDER.

In consideration for the premium charged, it is hereby understood and agreed the following change (s) are made to the AUTOMOBILE section of this policy

**REJECTION OR REDUCTION OF UNINSURED & UNDERINSURED MOTORISTS COVERAGE**

Indiana Law now requires that we write Uninsured & Underinsured Motorists Coverage equal to the Bodily Injury Limits of your automobile policy unless you, the insured, state that you want lesser limits or that you do not want this protection.

Uninsured & Underinsured Motorists Coverage, therefore, has been/will be included in your policy equal to your Bodily Injury Liability limits. If you want lesser coverage, or want to reject entirely, it will be necessary for you to complete this form and return it to the company.

Uninsured & Underinsured Motorists Coverage protects you and your family within the same terms and limits of the policy, if you suffer bodily injury or death for which an uninsured or underinsured motorists is legally liable.

### **MUNICIPAL INSURANCE ALLIANCE RISK CONTROL SERVICES**

The Municipal Insurance Alliance provides a variety of risk control services to its insured public entities throughout Michigan, Ohio, Indiana and Illinois. These services are provided by experienced risk control personnel located in each state who utilize proven risk control techniques and procedures. These techniques and procedures are continuously updated by conferring with Alliance appointed counsel and Midwest Claims Service, Inc.\* Through these efforts, Alliance insureds are provided the most up to date information on statutes, case law and claims experience. These efforts are done as a service to Alliance insureds to help them avoid, reduce and/or transfer potential liability exposures.

Some of the risk control services provided to Alliance insureds include:

1. Risk Control Profiles;
2. Risk Control Recommendations;
3. Special Events and Contract Reviews;
4. Resource Materials;
5. Technical Assistance;
6. Risk Control Seminars.

- **RISK CONTROL PROFILES** – The Risk Control Department has field representatives who visit and survey insured public entities to identify existing and/or potential liability exposures. While at the site, the field representative meets with officials and department heads to discuss and review the operations of the entity. The Risk Control Department field representative will survey and analyze any potential problem areas that exist within the entity. These issues will then be discussed with officials and department heads during the on-site survey.
- **RISK CONTROL RECOMMENDATIONS** – After the information is gathered during the Risk Control survey, letters of recommendation are developed and provided to the entity's officials and department heads. Often included with these recommendations is resource material to help the insured entity implement the recommendation(s). These efforts will help the insured entity manage their liability exposures.

- **SPECIAL EVENTS AND CONTRACT REVIEWS** – The Risk Control Department Representatives will review special event applications along with site plans to help insured entities identify potential liability exposures inherent with these types of events. Recommendations will then be made to help the Alliance insured manage these exposures. In addition, the Risk Control Department Representatives will review contractual language from a risk control perspective and provide suggestions to help reduce potential liability exposures. These suggestions can then be reviewed by the entity attorney before the contract is signed or revised.
- **RESOURCE MATERIAL** – The Risk Control Department has a large quantity of resource material available to assist public entities in developing sound risk control programs. Specific information is available to assist human resource departments, park and recreation departments, public works departments, emergency medical services, fire departments, jails and police departments. In addition, the department has sample manuals, risk control guidelines and model policies and procedures. The Risk Control Department Representatives continuously update and make available these resources for Alliance insureds.
- **TECHNICAL ASSISTANCE** – The Risk Control Department Representatives also provide assistance to Alliance insureds with liability related questions and issues. They are also available to meet with your safety committee to provide guidance and advice. The Risk Control Department Representatives are continuously trained and updated on the latest information that could potentially affect public entities. Their many years of experience, education and training are offered to Alliance insureds as a valuable service.
- **RISK CONTROL SEMINARS** - The Risk Control Department assists, sponsors and presents seminars to Alliance insureds. Some topics include:
  1. Sexual Harassment in the Workplace;
