

**Minutes of Greenville Special Meeting  
April 27<sup>th</sup>, 2020**

Council President Greg Redden called the special meeting to order. The meeting was held on ZOOM virtually.

This meeting was a presentation from Seuz about a maintenance contract for the Greenville Water Tower. The tower was constructed in 2012. Marc Hansen led the presentation video with recommendation for the length of the contract and what each step would be with guaranteed pricing, to help eliminate surprise cost. The contract will be discussed at the next regular business meeting.
